# Automatic Fogger

**PRECAUTIONARY STATEMENTS  
Hazards to Humans & Domestic Animals  
CAUTION**

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Causes moderate eye irritation. Wash thoroughly with soap and water after handling. Avoid contamination of food or feedstuffs. Do not apply directly to food. Do not use in food/feed areas of food/feed handling establishments, restaurants, or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining room, but excluding areas where foods may be prepared or held. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed. Non-food areas are areas such as garbage rooms, lavatories, floor drains (to sewers) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or boiling). Remove pets, birds, and cover fish aquariums before spraying.

**Physical or Chemical Hazards**  
Highly Flammable Ingredient  Ingredient Alternative Inflammable

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130F may cause bursting. The product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions of Use" on this label very carefully.

**FIRST AID**

Have product container or label with you when calling a poison control center or doctor, or going for treatment.	
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 15 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool dry area away from heat or open flame.  
**DISPOSAL:** Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**DIRECTIONS FOR USE**

**It is a violation of Federal Law to use this product in a manner inconsistent with its labeling**

**SHAKE WELL BEFORE USE  
KEEP CONTAINER UPRIGHT**

DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on. (i.e. refrigerators, thermostats, etc.) Call your gas utility or management company if you need assistance with your pilot lights. Cover exposed foods, dishes and food handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Do not remain in area during treatment and ventilate thoroughly before re-entry. Do not use this unit in a cabinet or under counter or table. Do not use this unit in an area less than 100 cubic feet. **To Operate Valve:** Place several layers of newspaper or pad on stand or table in the center of the room. To lock valve in open position for automatic discharge, press valve button all the way down, hooking catch. Then place fogger on the stand or table. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for one-half hour. Repeat spraying in two weeks or when necessary. **To Kill Fleas and Ticks:** Destroy pet's old bedding and replace. Use product as above. Treat dogs and cats with a registered tick control product prior to re-entry.
